

## PRIVACY NOTICE

### FACTS

#### WHAT DOES TOKES PLATFORM (“TKS”) DO WITH YOUR PERSONAL INFORMATION/USER DATA? WHAT ARE YOUR OBLIGATIONS?

##### Why?

This Notice describes how we collect on the Merchant Gateway, share, and protect your personal information including user data. Please read this notice carefully to understand what we do.

##### What?

The types of user data we collect may include:

- Name (including Username)
- Passwords
- Addresses – Email address, Cryptocurrency address, Mailing Address
- Other personal information you choose to provide

When you are *no longer* our customer, we continue to share your information as described in this notice.

##### How?

When a Merchant registers with and uses the Tokes Platform™ or other services available through TKS’s website, we automatically collect information from their devices.

##### Your Use?

We reserve the right to request certain information and user data from you in connection with your access and use of the Tokes Platform™. Failure to comply with such requests will result in your account being locked down.

Any misuse of the Tokes Platform™ will result in your account being locked down.

##### Public

Information on the Public Blockchain belongs to TKS and is visible by the public.

##### Blockchain

Information on the Public Blockchain, once recorded, cannot be removed.

##### Private

##### Blockchain

Information on the Private Blockchain belongs to TKS and is NOT visible by the public.

##### Cookies?

We use cookies – data captured by our server from your Internet browser and returned each time you subsequently access our server – to identify you and track your access to the Tokes Platform™ server. You may elect to turn off all cookies through your browser settings and we will not be able to capture this data.

##### Protecting User Data

We take reasonable steps to protect the security of the user data shared through the Tokes Platform™. The Tokes Platform™ is scanned on a regular basis for security and other potential vulnerabilities in order to make your use of the site as secure as possible. We do not, however, assume any responsibility for the data you submit to the Tokes Platform™ or receive from TKS. You agree to not hold us and our respective past, present and future employees, officers, directors, contractors, consultants, equity holders, suppliers, vendors, service providers, parent companies, subsidiaries, affiliates, agents, representatives, predecessors, successors and assigns liable for any loss or damage of any sort incurred as a result of any misappropriation, interception, modification, deletion, destruction or use of information provided through the Tokes Platform.

##### Sharing?

We will not share user information that is collected.

##### Third- Parties?

All non-public information that we receive regarding current or former users is held in the strictest confidence, and is not released to people outside TKS except with your consent, as otherwise set forth herein or as required by law. We may disclose some or all of the information we collect, as described above, to certain non-affiliated third parties such as attorneys, accountants, auditors and persons or entities who assist us in our business or who are assessing our compliance with industry standards, rules and regulations. We may also disclose information to regulators or other governmental entities as permitted or required by law. Your non-public personal information/user data is used only for our business purposes, and we do not sell client information to anyone. At your direction, we may share certain information with related or affiliated entities or third parties who assist us with providing our services including outsourced service providers located outside of the United States. These include but are not limited to specified family members and a client’s related and affiliated entities and other firms such as accountants, lawyers, financial institutions and bill pay and electronic storage service providers, subject to the obligation of all such third parties not to use or disclose such information for any other purpose.
